CEMETERY RULES AND REGULATIONS

These rules and regulations are effective on December 5, 2023, and will be reasonably interpreted, according to applicable law. They may be revised from time to time. All plot owners and visitors must comply with these rules and regulations.

- For purposes of these rules and regulations:
 - "Cemetery" includes Oakland Cemetery and the Village of Stockholm, Wisconsin, including, but not limited to, their Board members, committee members, agents, representatives, volunteers, and successors.
 - "Marker" includes, but is not limited to, plot markers, family monuments, name markers, veteran markers, planters, and any item of any kind placed on or near a plot in the Cemetery.
- All visitors must act in a respectful manner while in the Cemetery, and must not cause any damage or harm to the Cemetery or any Marker.
- Plots may be used for burial purposes only.
- Parties performing burials are not agents or contractors of the Cemetery, must be legally authorized to perform all services provided, and are solely responsible for proper burial in compliance with all applicable laws, rules and regulations.
- One body is permitted per plot, or one body and one cremated remains, or two cremated remains.
- Full-body burials must use a grave liner. Burial vaults must be buried at a minimum depth of 60 inches, or as required by law. Cremated remains must be buried at a minimum depth of 18 inches, or as required by law.
- The owner of a plot is responsible for all costs of preparing, opening and closing the grave.
- Due to the steep slope of our cemetery and past problems with falling/settling markers, NO MONUMENT OR MARKER MAY EXCEED 16 INCHES IN HEIGHT, and may not exceed the width and the length of the plot on which it is placed.
- Marker maintenance, repair and/or replacement are the sole responsibility and expense of the plot owner(s), regardless of the cause of or reason for such maintenance, repairs, or replacement. All markers must be maintained in safe and stable condition at all times.
- In no event will the Cemetery be held responsible or liable for any damages, costs, expenses, fees, or causes of action, in any way arising or alleged to arise, from any damage to or use of any plot, marker, flowers, flags or similar items of any kind.
- No earth, turf or landscaping may be raised upon any grave above the general level of the plot. No trees, shrubs, vines or plantings of any kind are allowed on or near any plot.
- All flowers must be contained in pots and placed in stable and secure stands at least 24 inches above the ground.
- Artificial flowers (not in stands), statues, lighting devices and other decorations must be removed after 30 days.
- Plot ownership includes the plot owner(s) of record with the Cemetery and, upon their death, their legal representatives, successors and/or heirs.
- Every transfer of plot ownership must be provided in writing to the Stockholm Village Clerk. The Village Clerk can provide a form to help record transfers, but is not a party to or responsible for legal transfer of ownership.
- The price paid for a plot (grave site) includes perpetual care. Perpetual care does not include the cost, installation, leveling, maintenance, repair or replacement of a Marker. Perpetual care includes, but may not be limited to, mowing, maintaining driveway access, and maintaining wildflowers in future expansion areas.
- If a plot is not in compliance with these rules and regulations, the Cemetery will give the owner(s) written notice to take corrective action within 30 days. If owner(s) fail(s) to do so, the Cemetery may take corrective action, and invoice the owner(s) for all corrective action and administrative expenses incurred, to be paid by owner(s) within 30 days the date of an invoice.
- All Cemetery and plot grievances will be settled by the Stockholm Village Board.
